

Fast-Paced Emergency Medicine: Physician Position (Full-Time)

Doctors Emergency Services PA (DESPA) is seeking a full time board certified/board eligible Emergency Medicine Physician to join our independent group working at Luminis Anne Arundel Medical Center Emergency Department in Annapolis, Maryland.

Why Choose Us?

- **High-Volume, Diverse Practice:** The ED sees 97,000 visits annually, with a diverse patient population
- **Strong Support System:** Benefit from a comprehensive team including specialists in interventional cardiology, general surgery, neurosurgery and more. Additionally, ED pharmacist, mental health clinicians, emergency psychiatrists, social workers, case managers, and in-house Spanish interpreters are readily available.
- **Advanced Technology:** We utilize Epic + Dragon EMR, Sonosite and Mindray ultrasound, video laryngoscopy, and bronchoscopy.
- **Stable Group:** Our low physician turnover fosters a collaborative and supportive environment.
- **Pediatric Care Options:** The ED is divided into adult and pediatric sections. Choose to focus solely on adults or we can connect you to the pediatric ED director for pediatric-only opportunities.
- **Prime Location:** Annapolis boasts a beautiful Chesapeake Bay setting, convenient access to DC and Baltimore (1 hour each), and 2 hours from the ocean.
